ETHAN MEARNS

EDUCATION

De La Salle Holy Cross College

Graduated 2020

Bachelor of Engineering in Computer Engineering

University of Pretoria | Expected Graduation: 2026

Currently in final Year

Relevant Coursework: Digital Communications (EDC), Software Engineering (EPE), Data Structures and Algorithms.

WORK EXPERIENCE

Software Development Intern

Centurion Systems | January 2025

Developed a student grading console application using C# that processed assignment scores and calculated letter grades. Built a .NET MAUI to-do list application implementing MVVM architecture, featuring task management functionality with add, delete, and completion tracking capabilities. Gained practical experience with XAML for UI design, data binding concepts, and frameworks including Entity Framework Core and Prism.

Software Development Observer

Yellow Dog Software | December 2023

Observed the complete software development lifecycle from client requirements gathering through testing, feedback collection, and final release. Gained exposure to collaborative development practices and the importance of ongoing maintenance including bug fixes and system updates after project completion.

SKILLS

- Problem Solving
- Time Management
- Attention to detail
- Adaptability
- Strong Communication
- Disciplined
